President's Message

Hello Granite State Members!

In March we had a great turnout in the Joint Technical Meeting with the Keene State College Student Section. Greg Menafo of GM Consulting covering construction and general industry site inspections. In May we've got another joint technical meeting with the Greater Boston Chapter which will be held virtually. More details on this event are contained within this month's newsletter and will also be sent out to membership prior to the event.

As always, we continue to look for topics of interest from the Granite State Members; if there is a technical subject you would like to hear a presentation on please contact me and I will see if we've got a network contact with experience in that particular arena.

Interested in hosting a meeting? We're always looking to hold face to face meetings at new locations in order to accommodate membership from different locations across the states we support. Or if you want to get more involved with the Chapter and join the Executive Committee please reach out and we will work to find a role that fits!

Thank you,
Joe Orazio

Addition to the Business Recognition Section

Joe Orazio, MBA - ASSP Granite State President & Programs Chair

The Granite State Chapter would like to recognize an organization who have graciously hosted meetings for our membership. Without their support the logistics of organizing the events offered would be difficult; but thanks to these great organizations we have been able to offer learning opportunities to all in locations that support the majority of our membership.

GM Consulting

GM Consulting, located in Central Massachusetts, provides safety education and training programs for the construction industry including OSHA Construction Outreach. Educational services are provided on-site or in a classroom setting. Additionally, GM Consulting offers consulting services to assist businesses in achieving and maintaining OSHA compliance and developing comprehensive safety programs.

**DEATH ON THE JOB - SHARING LESSONS LEARNED
INSPIRING THE SAFETY COMMUNITY AND OTHERS
TO AVOID, FATALITIES AND LIFE ALTERING
INJURIES IN THE WORKPLACE.**

GRANITE STATE &
GREATER BOSTON CHAPTERS
ARE HOSTING A JOINT VIRTUAL
TECHNICAL MEETING

 **THURSDAY, MAY 4, 2023**

 **4:30 PM - 6:00 PM**

Join us for joint chapter meeting where a variety of speakers will touch on the sensitive subject of "Death on the Job". Anytime there is a tragic, unexpected death in the workplace there is a devastating impact to the mind, body and soul to the victim's family, friends and co-workers. The meeting format is designed to share experiences through the collective voice of a family member and three safety professionals and encourage attendees to promote actions for safe & healthy working conditions and prevent future workplace tragedies.
