President's Message

Hello Granite State Members!

Happy February! The Granite State Chapter is excited to announce that we've gotten our first two meeting lined up for 2023. We will be welcoming Cesar Ahumada for our February Technical Meeting and Gregory Menafo for our March Joint Technical Meeting with the Keene State Student Chapter. Keep an eye out for the meeting invites to come!

In other Chapter News the Granite State Chapter is happy to extend a warm welcome to those who transitioned to the Granite State Membership from the Vermont and Western Massachusetts. We are glad to have you as part of our membership and hope to meet with you at upcoming meetings. In order to achieve this I've began looking at our roster and will be attempting to organize meeting in locations that can accommodate the wide spread membership. If any of our transitioning members have suggestions for topics or locations please reach out to joseph.ozario@collins.com.

Thank you,
Joe Orazio

Technical Meeting Hosts

Joe Orazio, MBA - ASSP Granite State President & Programs Chair

The Granite State Chapter would like to begin recognizing the organization who have graciously hosted meetings for our membership. Without their support the logistics of organizing the events offered would be difficult; but thanks to these great organizations we have been able to offer learning opportunities to all in locations that support the majority of our membership.

United Safety Net International Inc.

United Safety Net hosted the Granite State Chapter meeting in November 2022. United Safety Net provides OSHA Training is a variety of topics in English, Portuguese and Spanish!
