

Bringing business together to network and share ideas in the occupational safety and health community.

## G. I. Roundtable: at **EVERSOURCE**

(5 Rivers Auditorium)

780 N. Commercial St. | Manchester, NH 03105

### Topic:

### Achieving Safety & Health Excellence Through Effective Safety & Health Management Systems.

*Non VPP Members will be eligible to be entered into a drawing to win a complementary Region 1 VPPPA Conference Registration to the beautiful Killington Resort Killington VT, May 15th – 17th 2017. (\$475.00 Value).*

Thanks to OSHA standards, workplace injuries have dropped dramatically in recent years. However, even with OSHA standards and other safety regulations, the responsibility of keeping employees safe on the job site still lies in the hands of employers and individual workers. By taking appropriate safety measures, employers and workers can save valued employees from unnecessary injuries.

We'll review a model that will allow the creation of a safety and health management system that has been implemented by many companies across America with measured results.

### Presenters:

**Steve Gauthier**, CMFS, SGE, VPPPA Region 1 Chapter Chair

**Karen Girardin** VPPPA Region 1 Chapter Treasurer

**L.L.Bean** Project Leader/Safety Facilitator
