

AMERICAN SOCIETY OF SAFETY PROFESSIONALS

Granite State Chapter

February 2023 Technical Meeting

Presenter Bio:

Cesar Ahumada of Sales Solutions Inc. is a graduate of Keene State College with a Bachelor Degree in Occupational Safety and Health along with an Associate Degree in Chemical Dependency Counseling. He has his OSHA 500, 510,30 hour, and Competent Person-Fall Protection. He has over 25 years of experience in the safety field as a Safety Director, Safety Product Distribution Sales Representative, Regional Manager at Honeywell- First Responder Division, and as a Manufacturer's Representative for Safety Product Sales and Field Support with a focus in fall protection, PPE, traffic safety and illumination.

Topic Summary:

ANSI Z 359.14-2021 Self Retracting Lifeline Standard which was initially updated and published in August of 2021 becomes effective on August 1, 2023. During this technical meeting Cesar will discuss the new testing and labeling requirements for Class 1 and Class 2 self retracting lifeline designations. Also covered will be how the end user is impacted by the changes introduced by ANSI.
