INSPIRING THE SAFETY COMMUNITY AND OTHERS  
TO AVOID, FATALITIES AND LIFE ALTERING  
INJURIES IN THE WORKPLACE.**

GRANITE STATE &  
GREATER BOSTON CHAPTERS  
ARE HOSTING A JOINT VIRTUAL  
TECHNICAL MEETING

 **THURSDAY, MAY 4, 2023**

 **4:30 PM - 6:00 PM**

Join us for joint chapter meeting where a variety of speakers will touch on the sensitive subject of "Death on the Job". Anytime there is a tragic, unexpected death in the workplace there is a devastating impact to the mind, body and soul to the victim's family, friends and co-workers. The meeting format is designed to share experiences through the collective voice of a family member and three safety professionals and encourage attendees to promote actions for safe & healthy working conditions and prevent future workplace tragedies.
